Rollovers, Interest

A daily financing charge may apply to each FX/CFD open position at the closing of Leadcapital Corp LTD's trading day as regard to that FX/CFD. If such financing charge is applicable, it will either be requested to be paid by Client directly to Leadcapital Corp LTD or it will be paid by Leadcapital Corp LTD to Client, depending on the type of FX/CFD and the nature of the position Client holds. The method of calculation of the financing charge varies according to the type of FX/CFD to which it applies. Moreover, the amount of the financing charge will vary as it is linked to current interest rates (such as LIBOR). The financing charge will be credited or debited (as appropriate) to Client's account on the next trading day following the day to which it relates. Leadcapital Corp Ltd reserves the right to change the method of calculating the financing charge, the financing rates and/or the types of FX/CFDs to which the financing charge applies. For certain types of FX/CFDs, a commission is payable by Client to open and close FX/CFD positions. Such commission payable will be debited from Client's account at the same time as Leadcapital Corp LTD opens or closes the relevant FX/CFD. Changes in our swap interest rates and calculations shall be at our own discretion and without notice. Clients need to always check our website for the then current rates charged. Rates may change quickly due to market conditions (changes in interest rates,

volatility, liquidity etc.) and due to various risk related matters that are at the firm's sole discretion.

For WebTrader platform:

Additional Conversion fees apply.

Conversion fees will apply only when your account currency is different than the quoted currency of the underlying asset being traded. The fee will be reflected as a percentage of the conversion rate used. This will affect any conversions made on the Used Margin, Profit and Loss, Overnight Rollovers (Financing), CFD Rollovers and adjustments for Corporate Actions.

As an example, if the account currency is US Dollars and you open a position on a Euro quoted asset (i.e. Germany30) your Used Margin is converted in US Dollars. The conversion will include a fixed percentage on the conversion rate applicable at the time as a mark-up.

For MT4 and WebTrader platform:

CFD Rollover

The future contract on which a CFD is based has an expiration date, and clients will be able to close their CFD positions until this date. In order to insure continuous trading conditions for the client, when a future contract that a CFD is based on reaches its maturity, the underlying asset of that CFD will be switched to the next maturity of the same futures contract. A calendar of such rollovers is mentioned on the ArgoTrade section "CFD Expiration Dates". A premium will be either added or subtracted from the client's account, based on the difference in prices between the two futures contracts.

Example: If you sell 1 lot EURUSD, you will pay rollover costs on 100.000 Euro, which at the current rate would be \$0.017. This rate may vary over time, for actual rates please check the "CFD Expiration Dates" on our website.

Overnight Rollover Swap

Any open FX/CFD transaction held by Client at the end of the trading day as determined by Leadcapital Corp LTD or over the weekend, shall automatically be rolled over to the next business day so as to avoid an automatic close and physical settlement of the transaction. Client acknowledges that when rolling over such transactions to the next business day, a premium may be either added or subtracted from Client's account with respect to such transaction. The platform calculates overnight rollover at 22:00 GMT (21:00 GMT, summertime) and the rollover charge/credit is debited or credited to and from the trading account. For FX pairs, on Wednesday at 22:00 GMT (21:00 GMT, summertime), overnight rollover fees are multiplied by three (x3) in order to

compensate for the upcoming weekend. For Shares CFD, on Friday at 22:00 GMT (21:00 GMT, summertime), overnight rollover fees are multiplied by three (x3) in order to compensate for the upcoming weekend. The following instruments will have their triple-swap charged on Wednesday: Gold and Silver, and the following FX pairs on Thursday: EUR/RUB, USD/RUB, USD/CAD, USD/TRY.

The premium amount shall be determined by Leadcapital Corp LTD from time to time, in Leadcapital Corp LTD's absolute discretion. Client hereby authorizes Leadcapital Corp LTD to add or subtract the premium to or from Client 's account for any open transaction that have accrued a premium, in accordance with the applicable rate thereto, each day at the time of collection specified on the trading platform for each individual instrument, as applicable.

Types of Orders Accepted

Some of the types of orders Leadcapital Corp Ltd accepts include, but are not limited to:

- a) Good till Cancelled ("GTC") - An order (other than a market order), that by its terms is effective until filled or cancelled by Client. GTC Orders are not automatically cancelled at the end of the Business Day on which they are placed.
- b) Limit - An order (other than a market order) to buy or sell the identified market at a specified price. A limit order to buy generally will be executed when the ask price equals or falls below the bid price that you specify in the limit order. A limit order to sell generally will be executed when the bid price equals or exceeds the ask price that you specify in the limit order.
- c) Market- An order to buy or sell the identified market at the current market price that Leadcapital Corp Ltd provides via the Online Trading System. An

order to buy is executed at the current market ask price and an order to sell is executed at the current market bid price.

d) One Cancels the Other ("OCO") - An order that is linked to another order. If one of the orders is executed, the other will be automatically cancelled.

e) Stop Loss - A stop loss order is an instruction to buy or sell a market at a price which is worse than the opening price of an open position (or worse than the prevailing price when applying the stop loss order to an already open position). It can be used to help protect against losses. Please note that because of market gapping, the best available price that may be achieved could be materially different to the price set on the stop loss order and as such, stop loss orders are not guaranteed to take effect at the price for which they are set.

f) Trailing Stop - A trailing stop is the same as a stop loss order with the only difference being that, instead of setting a price at which the order is activated, the trailing stop order is activated at a fixed distance from the market price. For example, if Client has purchased a long open position and the market ask price increases, the trailing stop price will also increase and will trail behind the market ask price at the fixed distance set by Client. If the market ask price then decreases, the trailing stop price will remain fixed at its last position and if the market ask price reaches the trailing stop price, the order will be executed. Please note that because of market gapping, the best available price that may be achieved could be materially different to the price set on the trailing stop order and as such, trailing stop orders are not guaranteed to take effect at the fixed distance for which they are set. Following submission of an order, it is your sole responsibility to remain available for order and fill confirmations, and other communications regarding your Account until all open orders are completed. Thereafter, you must monitor your Account frequently when you have open positions in the Account.

Your order shall be valid in accordance with the type and time of the given order, as specified. If the time of validity or expiration date/time of the order is not specified, it shall be valid for an indefinite period.

g) Gap - a break between prices that occurs when the price of an asset makes a sharp move up or down with no trading occurring in between. Gaps can be created by a number of factors including regular buying or selling pressure, earning announcements, or any other type of news release. If a market gaps through all orders will be filled on a best efforts basis at first available price (not order level).

Currency of Trades

Unless otherwise specified by LCC, all trades shall be made in United States Dollars (USD).

Terms of Acceptance for Orders

You can place an Order via LCC's Trading Platform. Once your instructions or Orders are received by LCC, they cannot be revoked, except with LCC's written consent which may be given at LCC's sole and absolute discretion. LCC shall have no liability for failure to execute orders. LCC shall have the right, but not the obligation, to reject any order in whole or in part prior to execution, or to cancel any order, where your Account contains funds that are insufficient to support the entire order or where such order is illegal or otherwise improper.

LCC may, in certain circumstances accept instructions, by telephone via LCC's Dealing Room, provided that LCC is satisfied, at its full discretion, of your identity and LCC is further also satisfied with the clarity of instructions. In case of an Order received by LCC in any means other than through the Trading Platform, the Order will be transmitted by LCC to the Trading Platform and processed as if it was received through the Trading Platform. It is understood that an Order will not be affected.

In the event that LCC wishes to confirm in any manner any instructions and/or Orders and/or communications sent through the telephone, it reserves the right to do so. You accept that there is a risk of misinterpretation or mistakes in the instructions or Orders sent through the telephone, regardless of what caused them, including, among others, technical failures.

Execution Policy

We are required to have an execution policy and to provide our clients with appropriate information in relation to our execution policy. LCC takes all reasonable steps to obtain the best possible results for its Customers. LCC's Best Execution Policy sets out a general overview on how orders are executed as well as several other factors that can affect the execution of a financial instrument. Where you place orders with us, the execution factors that we consider and their relative importance is as set out below:

1. Price. The relative importance we attach is "high".
2. Speed. The relative importance we attach is "high".
3. Likelihood of execution and settlement. The relative importance we attach is "high".
4. Size. The relative importance we attach is "high".

We are the principal to every order you place with us and therefore we are the only execution venue.

Authority

We shall be entitled to act for you upon instructions given or purporting to be given by you without further enquiry as to the genuineness, authority or

identity of the person giving or purporting to give such instructions provided such instruction is accompanied by your correct Account number and password. If your Account is a joint account, you agree that we are authorized to act on the instructions of any one person in whose name the Account is held, without further inquiry. We shall have no responsibility for further inquiry into such apparent authority and no liability for the consequences of any actions taken or failed to be taken by us in reliance on any such instructions or on the apparent authority of any such persons.

Cancellation/withdrawal of instructions

Orders may be cancelled via the LCC Online Trading System but we can only cancel your instructions if you explicitly request so, provided that we have not acted up to the time of your request upon those instructions. Executed instructions may only be withdrawn or amended by you with our consent. LCC shall have no liability for any claims, losses, damages, costs or expenses, including legal fees, arising directly or indirectly out of the failure of such order to be cancelled.

Right not to accept orders

We may, but shall not be obliged to, accept instructions to enter into a Transaction. If we decline to enter into a proposed Transaction, we shall not be obliged to give a reason but we shall promptly notify you accordingly.

Control of orders prior to execution

We have the right (but no obligation) to set limits and/or parameters to control your ability to place orders at our absolute discretion. Such limits and/or parameters may be amended, increased, decreased, removed or added to by us at our absolute discretion and may include (without limitation):

1. controls over maximum amounts placed to open a position using any of LCC's products;
2. controls over maximum positions placed per trader and per asset;
3. controls over our total exposure to you;
4. controls over prices at which orders may be submitted (to include (without limitation) controls over orders which are at a price which differs greatly from the market price at the time the order is submitted to the order book);
5. controls over the Electronic Services (to include (without limitation) any verification procedures to ensure that any particular order or orders has come from you); or
6. any other limits, parameters or controls which we may be required to implement in accordance with Applicable Regulations.

Should you surpass the limits and/or parameter we set, your trade shall be blocked and/or suspended.

The position limits will be notified in advance to you either through LCC's website or trading platforms.

Trade Adjustments

Clients must be aware that Forex transactions carry a high degree of risk. The amount of initial margin may be small relative to the value of the foreign currency so that transactions are 'leveraged' or 'geared'. A relatively small market movement may have a proportionately larger impact on the funds that the Client has deposited or will have to deposit. This may work against as well as for the client. Leadcapital Corp Ltd exclusively reserves the right to widen its variable spreads, adjust leverage, change its rollover rates and/or increase the margin requirements without notice under certain market conditions including, but not limited to, when the trading desk is closed, around fundamental announcements, as a result of changes in credit markets and/or at times of extreme market volatility. In such circumstances, the Client agrees to indemnify Leadcapital Corp Ltd for any and all losses that may occur due to the widening of spreads and the adjustment of leverage.

Furthermore, it should be noted that the Company operates on a 'negative balance protection' basis; this means that you cannot lose more than your initial investment.

Execution of orders

We shall use our reasonable endeavors to execute any order promptly, but in accepting your orders we do not represent or warrant that it will be possible to execute such order or that execution will be possible according to your instructions. If we encounter any material difficulty relevant to the proper carrying out of an order on your behalf we shall notify you promptly.

Confirmations

At the end of each trading day, confirmations for all Transactions that we have executed on your behalf on that trading day will be available via your online Account on our website. It is your responsibility to notify LCC if any confirmations are incorrect. Confirmations shall, in the absence of manifest error, be conclusive and binding on you, unless you place your objection in writing within 5 Business Days. You may request to receive the Account statement monthly or quarterly via email, by providing such a request to LCC, but LCC is not obliged to provide you with the paper Account statement. The Account statement may be provided at the expense of the client.

Cancellation of trades

We have the right to reject an order or to cancel a transaction if we have

adequate reasons/evidence that the following have occurred:

1. fraud/illegal actions that led to the transaction,
2. any instance when LCC has cause to believe that a person's trading activities may be illegal;
3. any instance where LCC may suffer any fiscal, regulatory, or pecuniary disadvantage by virtue of anyone's activities;
4. any instance where one or more transactions are judged by LCC to have been performed in violation of this Agreement.
5. orders placed based on manipulated prices as a result of system errors or system malfunctions,
6. arbitrage trading on prices offered by our platforms as a result of systems errors; and
7. coordinated transactions by related parties in order to take advantage of systems errors and delays on systems updates.

We reserve the right to cancel any and/or all trading positions and withhold and/or forfeit any profits incurred by the Customer on all the Customer's trades if we consider that the Customer has engaged in market Arbitrage.

Disabling and Cancelling Deposits

We have the right not to accept funds deposited by you and/or to cancel your deposits in the following circumstances:

1. if you fail to provide LCC with any documents it requests from you either for client identification purposes or for any other reason;
2. if LCC suspects or has concerns that the submitted documents may be false or fake;
3. if LCC suspects you are involved in illegal or fraudulent activity;
4. if LCC is informed that your credit or debit card (or any other payment method used) has been lost or stolen;
5. where LCC considers that there is a chargeback risk; and
6. when you deposit \$3,000 or more or if you make over 10 separate deposits to your trading Accounts and LCC is unable to verify your credit or debit card details or is unable to verify any other payment method used.

In case of cancelled deposits, and if there is not a confiscation of your funds by a supervisory authority on the grounds of money laundering suspicion or for any other legal infringement, your funds will be returned to the bank account that have been initially received.

Performance and settlement

You will promptly deliver any instructions, funds, or documents deliverable by you under a Transaction in accordance with that Transaction as modified by any instructions given by us.

Position limits

We may require you to limit the number of open positions which you may have with us at any time and we may in our sole discretion close out any one or more Transactions in order to ensure that such position limits are maintained.

Roll Over

In certain market conditions you may be allowed to trade using the Roll Over feature. The Roll Over feature enables you to extend the expiration time of your trading position before it reaches the expiry date. This feature can be used subject to the following conditions:

1. An additional 30% of the initial deposit must be added automatically to your initial investment.
2. The Roll Over feature can only be used in cases where the progress of the followed price does not take the direction which you had anticipated.
3. You can only use the Roll Over feature once for each trading position.
4. The Roll Over feature shall only be available up to 15 minutes before the expiry time.

Improper or Abusive Trading

Leadcapital Corp Ltd's objective is to provide the most efficient trading liquidity available in the form of streaming, tradable prices for most of the financial instruments we offer on the trading platform. As a result of the highly automated nature of the delivery of these streaming, tradable prices, you acknowledge and accept that price misquotations are likely to occur from time to time.

Should you execute trading strategies with the objective of exploiting such misquotation(s) or act in bad faith (commonly known as 'sniping'), Leadcapital Corp Ltd shall consider this as unacceptable behaviour. Should Leadcapital Corp Ltd determine, at its sole discretion and in good faith, that you or any representative of yours trading on your behalf is taking advantage, benefitting, attempting to take advantage or to benefit of such misquotation(s) or that you are committing any other improper or abusive trading act such as for example:

- a) fraud/illegal actions that led to the transaction;
- b) orders placed based on manipulated prices as a result of system errors or system malfunctions;
- c) arbitrage trading on prices offered by our platforms as a result of systems errors; and/or
- d) coordinated transactions by related parties in order to take advantage of systems errors and delays on systems updates.

Then Leadcapital Corp Ltd will have the right to:

- 1) adjust the price spreads available to you; and/or
- 2) restrict your access to streaming, instantly tradable quotes, including providing manual quotation only; and/or
- 3) obtain from your account any historic trading profits that you have gained through such abuse of liquidity as determined by us at any time during our trading relationship; and/or
- 4) reject an order or to cancel a trade; and/or
- 5) immediately terminate our trading relationship

In such circumstances the relevant associate/former business associate's trading account(s) and all open positions shall be closed immediately and any funds held within the account shall be confiscated.

Trailing Stop functionality in case that MT4 terminal is closed

In the event that the MetaTrader 4 client terminal is closed, trailing stop will not work. This happens as the trailing stop works on the client terminal side

and in this respect, if the client terminal is closed, only the stop loss that was placed by trailing stop before the closing of the terminal can trigger.

Withdrawals

Once your withdrawal request is approved, your withdrawal request will be processed by us and sent to the same bank, credit card or other source for execution on the same day that the request to withdraw funds was made, or the next working day if the client's request is received outside of normal trading hours. (Note: Some banks and credit card companies may take time to process payments especially in currencies where a correspondent bank is involved in the transaction). The funds will be returned to the bank account/credit card/other source from which the funds were debited. You are fully responsible for the payment details that you provided to LCC and LCC accepts no responsibility if you have provided false or inaccurate bank details. Further, withdrawals bear third party charges which may vary in accordance with the terms and conditions of the third parties. These charges may be verified upon request.

The minimum withdrawal amount for all methods (excluding the wire transfer) is \$20. The minimum withdrawal amount request for wire transfer is \$100. Any withdrawal request for an amount below the two amounts mentioned above, will incur handling and processing charges as follows: minimum \$10 for all methods (excluding wire transfer) and minimum \$ 50 for the wire transfer. If you request a withdrawal of funds from your Account and we cannot comply with it without closing some part of your open positions, we will not comply with the request until you have closed sufficient positions to allow you to make the withdrawal. Withdrawals will only be made on request by you, by bank transfer to an account in your name or such other method as we, in our absolute discretion, may determine.

In the event that it is not possible for the funds to be withdrawn without delay, LCC, in meeting its obligations to act in the client's best interest, will keep the client informed, including about the reasons for any delay and the expected timeframe before the funds will be withdrawn. Information provided to the client about any delays in withdrawing funds will be fair, clear and not misleading.

LCC will endeavour to process your withdrawal requests promptly, however the time needed for the requested funds to be processed and appear in your account will depend upon the method used for depositing the funds and the third parties which are executing the payments.

Stock Related Payouts on CFDs

Payments on Stock Splits, Reverse Stock Splits, Stock Dividends and other

Stock related events can have an impact on the share price and thus on the price of an equity based CFD. A person who holds a CFD position has no ownership of the underlying instrument. However, when a client holds a long CFD position, Leadcapital Corp Ltd shall pay the equivalent of the dividend to that client and deduct the equivalent from any client holding a short CFD position. This shall be done on or shortly after the ex-dividend date as that is when the economic effect is felt on the underlying share price.

In the event of a termination of the use of an Electronic Service for any reason, upon request by us, you shall, at our discretion, return to us or destroy

all hardware, software and documentation we have provided you in connection with such Electronic Service and any copies thereof.

11. MARGINING ARRANGEMENTS

Contingent liability

Where we effect or arrange a Transaction, you should note that, depending upon the nature of the Transaction, you may be liable to make further payments when the Transaction fails to be completed or upon the earlier settlement or closing out of your position. You may be required to make further variable payments by way of margin against the purchase price of the investment, instead of paying (or receiving) the whole purchase (or sale) price immediately. The movement in the market price of your investment will affect the amount of margin payment you will be required to make. We will monitor your margin requirements on a daily basis and we will inform you as soon as it is reasonably practicable of the amount of any margin payment required under this clause.

Margin call

You agree to pay us on demand such sums by way of margin as are required from time to time as we may in our discretion reasonably require for the purpose of protecting ourselves against loss or risk of loss on present, future or contemplated Transactions under this Agreement.

Failure to meet margin call

Please note that in the event that you fail to meet a margin call, we may immediately close out the position.

Form of margin

Margin must be paid in cash in currency acceptable by us, as requested from time to time by the Company. Cash Margin paid to us is held as client money in accordance with the requirements of the Client Money Rules. Margin deposits shall be made by wire transfer, credit card, e-wallet or by such other means as The Company may direct.

Set-off on default

If there is an Event of Default or this Agreement terminates, we shall set-off the balance of cash margin owed by us to you against your obligations (as reasonably valued by us). The net amount, if any, payable between us following such set-off, shall take into account the Liquidation Amount payable under Clause 15 (Netting).

Further assurance

You agree to execute such further documents and to take such further steps as we may reasonably require to perfect our security interest over and obtain legal title to the Secured Obligations.

Negative pledge

You undertake neither to create nor to have outstanding any security interest whatsoever over, nor to agree to assign or transfer, any of the cash margin transferred to us, except a lien routinely imposed on all securities in a clearing system in which such securities may be held.

General lien

In addition and without prejudice to any rights to which we may be entitled under this Agreement or any Applicable Regulations, we shall have a general lien on all cash held by us or our Associates or our nominees on your behalf until the satisfaction of the Secured Obligations.

12. CLIENT FUNDS**Client funds**

We treat funds received from you or held by us on your behalf in accordance with the requirements of the relevant regulations. In particular, funds belonging to you that will be used for trading purposes will be kept in an account with any bank or financial institution used to accept funds which LCC will specify from time to time and will be held in LCC's name.

By accepting this Agreement, you authorize LCC to make any necessary reconciliation transfers in order for the bank account balance to match the trading account balance, including, without prejudice to the generality of the above, withdrawals for the settlement of all transactions undertaken under the Agreement and all amounts which are payable by or on behalf of the Customer to LCC or any other person.

It is understood that any amount payable by LCC to you, shall be paid directly to you to a bank account the beneficial owner of which is you. Fund transfer requests are processed by LCC within the time period specified on LCC's official website and the time needed for crediting into your personal account will depend on your bank account provider.

You agree that any amounts sent by you in the LCC's bank accounts, will be deposited to your trading account at the value date of the payment received and net of any charges/fees charged by the bank account providers or any other intermediary involved in such transaction process. In order for LCC to accept any deposits by you, the identification of the sender must be verified

and ensure that the person depositing the funds is you. If these conditions are not met, LCC reserves the right to refund the net amount deposited via the method used by the depositor.

Interest

You, the client, acknowledge and confirm that no interest will be received on the balance of your account.

Unclaimed client funds

You agree that we may cease to treat your funds as client funds if there has been no movement on your balance for six years. We shall write to you at your last known address informing you of our intention of no longer treating your balance as client funds and giving you 28 days to make a claim.

Liability and Indemnity

You agree that we shall not be liable for any default of any counterparty, bank, custodian or other entity which holds funds on your behalf or with or through whom transactions are conducted.

The Company will not be liable for loss suffered by you in connection to your funds held by us, unless such loss directly arises from our gross negligence, willful default or fraud.

13. REPRESENTATIONS, WARRANTIES AND COVENANTS

You represent and warrant to us on the date this Agreement comes into effect and as of the date of each Transaction that:

Rights on Default

On the occurrence of an Event of Default, we may exercise our rights under this clause, except that in the case of the occurrence of any Event of Default specified in Clause 14.2 or Clause 14.3 of the definition of Events of Default (each a "Bankruptcy Default"), the automatic termination provision of this clause shall apply.

Liquidation Date

Subject to the following sub-clause, at any time following the occurrence of an Event of Default, we may, by notice to you, specify a date (the "Liquidation Date") for the termination and liquidation of Transactions in accordance with this clause.

Automatic termination

The date of the occurrence of any Bankruptcy Default shall automatically

constitute a Liquidation Date, without the need for any notice by us and the provisions of the following sub-clause shall then apply.

Calculation of Liquidation Amount

Upon the occurrence of a Liquidation Date:

1. neither of us shall be obliged to make any further payments or deliveries under any Transactions which would, but for this clause, have fallen due for performance on or after the Liquidation Date and such obligations shall be satisfied by settlement (whether by payment, set-off or otherwise) of the Liquidation Amount (as defined below);
2. we shall (on, or as soon as reasonably practicable after, the Liquidation Date) determine (discounting if appropriate), in respect of each Transaction the total cost, loss or, as the case may be, gain, in each case expressed in the Base Currency specified by us in writing or, failing any such specification, the lawful currency of the United States (and, if appropriate, including any loss of bargain, cost of funding or, without duplication, cost, loss or, as the case may be, gain as a result of the termination, liquidation, obtaining, performing or re-establishing of any hedge or related trading position) as a result of the termination, pursuant to this Agreement, of each payment or delivery which would otherwise have been required to be made under such Transaction (assuming satisfaction of each applicable condition precedent and having due regard, if appropriate, to such market quotations published on, or official settlement prices set by the relevant exchange as may be available on, or immediately preceding, the date of calculation); and
3. we shall treat each cost or loss to us, determined as above, as a positive amount and each gain by us, so determined, as a negative amount and aggregate all of such amounts to produce a single, net positive or negative amount, denominated in the Base Currency (the "Liquidation Amount").

Payer

If the Liquidation Amount determined pursuant to this clause is a positive amount, you shall pay it to us and if it a negative amount, we shall pay it to you. We shall notify you of the Liquidation Amount, and by whom it is payable, immediately after the calculation of such amount.

Other transactions

Where termination and liquidation occurs in accordance with this clause, we shall also be entitled, at our discretion, to terminate and liquidate, in accordance with the provisions of this clause, any other transactions entered into between us which are then outstanding.

Payment

The Liquidation Amount shall be paid in the Base Currency by the close of business on the Business Day following the completion of the termination and liquidation under this clause (converted as required by applicable law into any other currency, any costs of such conversion to be borne by you, and (if applicable) deducted from any payment to you). Any Liquidation Amount not paid on the due date shall be treated as an unpaid such amount and bear interest, at the average rate at which overnight deposits in the currency of such payment are offered by major banks in the London interbank market as of 11.00 am (London time) (or, if no such rate is available, at such reasonable rate as we may select) plus one 1% per annum for each day for which such amount remains unpaid.

Base Currency

For the purposes of any calculation hereunder, we may convert amounts denominated in any other currency into the Base Currency at such rate prevailing at the time of the calculation as we shall reasonably select.

Payments

Unless a Liquidation Date has occurred or has been effectively set, we shall not be obliged to make any payment or delivery scheduled to be made by us under a Transaction for as long as an Event of Default or any event which may become (with the passage of time, the giving of notice, the making of any determination hereunder, or any combination thereof) an Event of Default with respect to you has occurred and is continuing.

Additional rights

Our rights under this clause shall be in addition to, and not in limitation or exclusion of, any other rights which we may have (whether by agreement, operation of law or otherwise).

Application of netting to Transactions

This clause applies to each Transaction entered into or outstanding between us on or after the date this Agreement takes effect.

Single agreement

This Agreement, the particular terms applicable to each Transaction entered into under this Agreement, and all amendments to any of them shall together constitute a single agreement between us. We both acknowledge that all Transactions entered into on or after the date this Agreement takes effect are

entered into in reliance upon the fact that the Agreement and all such terms constitute a single agreement between us.

16. RIGHTS ON DEFAULT

Default

On an Event of Default or at any time after we have determined, in our absolute discretion, that you have not performed (or we reasonably believe that you will not be able or willing in the future to perform) any of your obligations to us, in addition to any rights under the clause 15 (Netting) we shall be entitled to take the following actions, without prior notice to you:

2. to sell such of your investments as are in our possession or in the possession of any nominee or third party appointed under or pursuant to this Agreement, in each case as we may in our absolute discretion select or and upon such terms as we may in our absolute discretion think fit (without being responsible for any loss or diminution in price) in order to realise funds sufficient to cover any amount due by you hereunder; and/or
3. to close out, replace or reverse any Transaction, buy, sell, borrow or lend or enter into any other Transaction or take, or refrain from taking, such other action at such time or times and in such manner as, at our sole discretion, we consider necessary or appropriate to cover, reduce or eliminate our loss or liability under or in respect of any of your contracts, positions or commitments; and/or

In the event of termination, all Customer's open positions shall be closed by the date of termination without derogating all the provisions aforementioned therein, including charges, fees and penalties.
